2. Read Government Proceedings No. 10693-703—G. 319-92, dated 17th March 1896, requesting the Deputy Commissioners of districts to note for future guidance that medicines may be had from the taluk dispensaries, district head-quarter hospitals and Medical Stores at Bangalore, and asking them to report whether the charges incidental on the out-break of cholera may be debited partly to District Funds and partly to Medical Savings.

Resolved that the cost of the medicines be charged in equal proportion to Medical Savings and District Funds.

3. Read Government Official Memorandum No. 10314-9—L. The duties of servants attached to the musafirkhanas are to sweep the premises and keep the musafirkhanas clean, and attend to the requirements of the travellers.
